NOTICE
FOR ALUMNI MEET

The NAAC (NATIONAL ASSESSMENT ACCREDITATION COUNCIL, body that grades colleges based on their performance in certain set parameters) PEER TEAM will visit our college on 7th and 8th May 2024 to assess the academic and infrastructure condition. It is important to mention here that, the gradation by NAAC will determine not only the fund that the college will receive from different grant agencies, but will also shape the future of our students. As part of their visit, the team will also interact with the Alumni Group on different issues. As all of you at different points of time were the parts of this college as students and witnessed the growth of this college from its infancy to adulthood, therefore, you have an emotional attachment with this institution. Being as a part of your responsibility, now, it is the high time for you to extend your presence during the need of the college. To discuss some serious issues and placing a road map for the same, an **ALUMNI MEET** has been scheduled on **28th April 2024 (Sunday) at 11:30 AM in the Auditorium Hall** of the College. Looking forward to your enthusiastic participation and support in making this Alumni Meet a memorable one.

Teachers are requested to spread the message through multiple channels to ensure maximum reach and attendance.
